Celebration of Teachers' Day in Bengali department, VIC

The students of the Department of Bengali celebrated Teacher's Day on September 11, 2026. They arranged a well-knit program to commemorate Teachers' Day, which is observed on September 5—the birth anniversary of Sarvepalli Radhakrishnan. During the event, the Principal Madam, Dr. Maitreyi Ray Kanjilal, paid tribute by garlanding a portrait of Radhakrishnan and subsequently delivered a brief address to the students, raising awareness about both the beneficial and detrimental aspects of social media. In the next part of the program, the students paid their respects to the faculties of the department by presenting them with various gifts and performed a cultural program. Some photographs of the programme are as follows:
