Extension Lecture

Prof. Narendranath Bhattacharyya Memorial Lecture

An Extension Lecture, organised by the Department of History (Day & Morning) as part of the Prof. Narendranath Bhattacharyya Memorial Lecture, was held on 16 September 2026 at Suniti Sabhaghar. The invited speaker was Prof. Amit Dey, eminent historian and Head of the Department of History, University of Calcutta. Prof. Dey was felicitated by the IQAC Coordinator, Dr. Sudip Sinha, at the beginning of the programme. Prof. Dey delivered an engaging and informative lecture on “Aspects of Sufi Mysticism in India.” His deliberation offered valuable insights into the historical development of Sufi traditions in India and their religious, social and cultural dimensions.

Students of the Department of History (Day and Morning sections) and the Department of Political Science attended the programme. Faculty members from various departments of the college also joined the lecture. The programme provided the students with an enriching academic experience and an opportunity to engage with the ideas and perspectives of a distinguished historian. The organisers express their sincere gratitude to the Principal for her constant support and encouragement in organising such academic initiatives.
