

## **STUDY TRIP ORGANIZED BY HISTORY DEPARTMENT, VIC**

On 19.07.25, students of Semester-II, History (Major) undertook a study trip to two significant heritage sites in Kolkata- St. John's Church and the GPO Museum accompanied by all faculty members. St. John's Church is one of the oldest churches built in 1787 and houses monuments like tomb of Job Charnock, Viceroy Brabourne and Lord Canning.

The GPO Museum showcases the evolution of postal services in India, displays rare collections of vintage stamps and postal equipment.

Despite the inclement weather the students remained enthusiastic. We extend our gratitude to our Principal Madam for her support and encouragement.

### **Some photographs of the study tour**
