

EDUCATIONAL TOUR ORGANIZED BY THE DEPARTMENT OF BENGALI, VIC

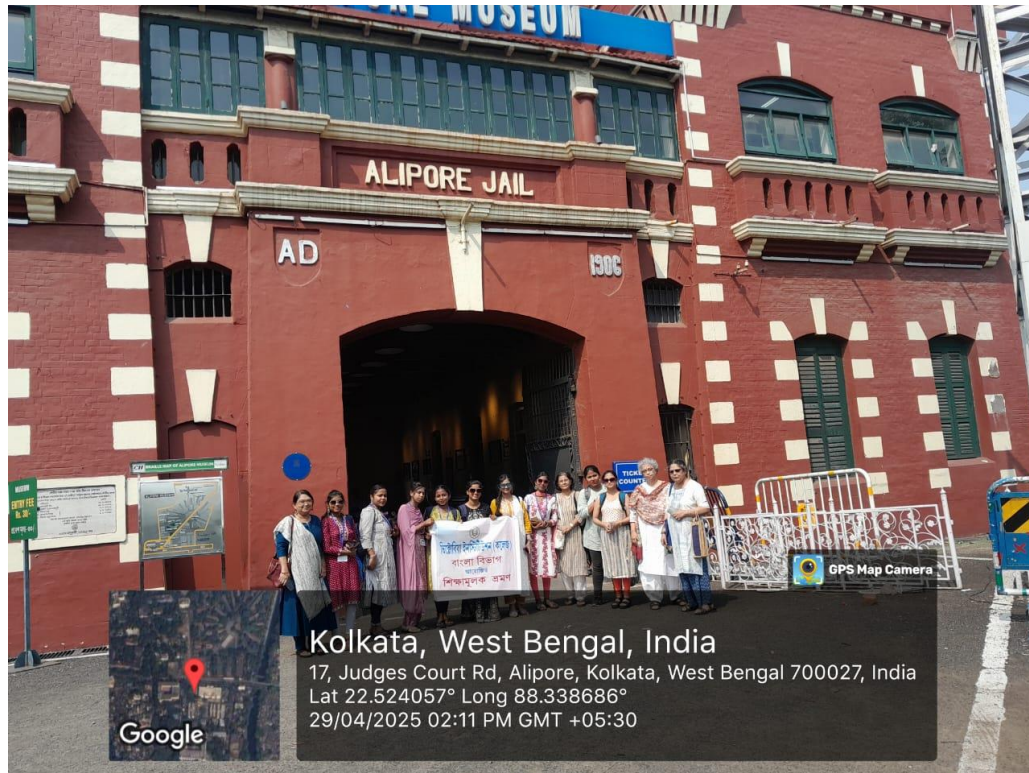

On April 29, 2025, the Department of Bengali organized an educational tour to the Alipore Jail Museum for 6th and 2nd-semester students. After visiting the museum, the students also attended a Light and Sound show organized by the museum authorities.

The students explored the vast museum complex, which was once a prison and is now a museum showcasing India's freedom struggle.

The students were emotionally moved while visiting the cells of famous revolutionaries like Sri Aurobindo Ghosh, Subhas Chandra Bose, Barin Ghosh, Jawaharlal Nehru, and Kazi Nazrul Islam. They also saw the gallows, watchtowers, a replica of the Andaman Cellular Jail, a morgue, and a model hospital etc.

This visit not only deepened the students' historical awareness but also made them more conscious of India's political and social context, enriching their literary understanding. The students were particularly enriched by the Light and Sound show held in the jail premises in the evening.

The visit to the Alipore Jail Museum was a lifetime experience for the students, leaving a lasting impact on their minds.
