Report on the celebration of Teachers' Day in the Department of Physics on 06.10.2026

The teachers' day program was organized with immense enthusiasm by the students of semester I, III, V and VII of the department of Physics of Victoria Institution (College) on 6th October, 2026. Although traditionally celebrated in the first week of September, the event was rescheduled due to semester examinations in the month of September. The students beautifully decorated the venue with great care and creativity, creating a warm, festive atmosphere. The celebration was commenced with the ceremonial cake-cutting by Principal madam,Dr. Maitreyi Ray Kanjilaltogether with the faculty members of the department. To express their gratitude, love and respect, the students performed soulful songs, recitations and delivered heartfelt speeches dedicated to their teachers as well as mentors. The occasion was further enriched through the active participation of the faculty members with their performances like songs and recitations, complimenting the beautifully decorated event. Every teacher was presented with a personalized card, thoughtfully crafted by the students, expressing their heartfelt gratitude for their individual guidance. As tokens of appreciation and respect, they also presented thoughtful gifts to their teachers, reinforcing the deep bond between the teachers and students. The venue resonated with joy, warmth and affection throughout the event. A delightful photo session captured the memorable moments of the celebration, followed by refreshment, enjoyed by everyone present. The celebration concluded on a high note, serving as a successful tribute to the invaluable guidance and dedication of the teachers.
