Parents-Principal-Teachers Meeting

Department of Political Science (Day) organised a Parents-Principal-Teachers Meeting on 2.01.2026. Parents of 18 students of Semester 1 attended the meeting.

The meeting was held in Room 26 where all the 4 faculty members of the department met the parents.

- The Head of the Department introduced the college rules and the importance of regular attendance in classes and attendance expectations.
- The other faculty members spoke about the grading systems and semester goals. They also appraised the parents regarding the importance and significance of participating in departmental and college activities. Teachers shared subject roadmaps.
- Parents were also appraised of the various facilities like computer education etc given by the college.
- Parents asked questions about campus security and safety, mentoring, and career support.

The meeting bridged the gap between home and college life for new students.
