

Itihas-Mela 2026

The Department of History (Day & Morning) of Victoria Institution (College) in collaboration with the IQAC successfully organised “Coin Odyssey”, a vibrant exhibition and fair showcasing a unique collection of global coins on 08.05.26. One of the major attractions of the event was the inclusion of QR codes alongside the exhibits, enabling visitors to explore the fascinating historical backstories and significance of each coin and currency through digital access. The programme also featured colourful handicraft and food stalls organized by the students which turned the event into a gala affair. The exhibition was inaugurated by the Principal Madam and the Coordinator of IQAC. Members of the extended Victoria family visited the fair with great enthusiasm, while students from Victoria Institution School also attended and enjoyed the exhibition. The event received an overwhelming response from all quarters and emerged as a grand success,
