

Concluding Program of 3rd Add-on Course on Basic Photography organised by The Victoria Institution (College) Photography Club in collaboration with IQAC dated 09.09.2026

The Victoria Institution College Photography Club (ViCPC), in collaboration with the Internal Quality Assurance Cell (IQAC) of Victoria Institution (College), successfully concluded its 3rd Add-on Course on Photography on a joyous and fulfilling note.

The ceremony opened with a soulful rendition of 'Vande Mataram' by members of the Cultural Committee and students, setting a heartfelt tone for the day. This was followed by the formal inauguration, graced by Principal Dr. Maitreyi Ray Kanjilal, along with IQAC Coordinator Dr. Sudip Kumar Sinha and Add-on Course Coordinator Ms. Suchhanda Ghosh.

The event saw participants receiving their well-deserved completion certificates, marking the culmination of their journey through the course. Adding to the excitement, the club's seasonal T-shirt was officially unveiled, and ViCPC proudly launched its very first photography magazine — a proud milestone in the club's history.

The programme then moved into the inauguration of a Photography Exhibition, featuring beautiful and thought-provoking works by students, mentors, and members of ViCPC alike. The day drew to a close with the National Anthem, sung together by all those present.

ViCPC extends its heartfelt gratitude to Principal Dr. Maitreyi Ray Kanjilal, Dr. Sudip Kumar Sinha, and Ms. Suchhanda Ghosh for their invaluable guidance and unwavering support, without which this initiative would not have been possible.
