

ORIENTATION AND INDUCTION PROGRAM FOR SEMESTER 1, DATED AUGUST 29, 2025

Victoria Institution (College) organised the Orientation and Induction Programme for the newly admitted Semester 1 students on August 29, 2025. It was held in the Keshub Memorial Hall from 9 am. The whole programme was presided by The Principal along with the IQAC Coordinator of the college. The welcome address was delivered by the Principal highlighting the rich heritage of the institution and its legacy regarding contribution in women's education in Bengal. The IQAC Coordinator welcomed the students into their new life where they can get holistic education. Teachers from each department were present. They introduced themselves.

Beside academics related activities, other co-curricular and extra-curricular activities take place throughout the year. Different cells and clubs explain their objectives and encourage the students to participate in different activities. The college has very active NSS and NCC units, both of them explained the benefits of joining NSS and NCC.

Students were made informed about college office from where they can get help during their official needs. They were made aware about various scholarships that they can opt for and a huge, rich library the college has, that the students can use throughout their studying here.

Teachers explained the vision and mission of this institution. The students were made aware that this institution aims not only for academic excellence of the students but following NEP 2020, this institution tries to build her students as a dutiful, respectful environmentally & socially aware human being.
