

Parent Teacher Meeting organized by Department of English, VIC

The Parent Teacher Meeting for Semester 3 students of the Department of English was held on 02.01.2026 from 2:00 to 3:00 p.m. with active participation from faculty members and parents. The session began with a brief overview of the semester's academic progress, including syllabus coverage, internal assessments, and student performance trends. Faculty members highlighted strengths such as improved class participation, critical thinking, and engagement in literary discussions, while also addressing areas needing attention, particularly consistency in assignments and attendance. Individual feedback was shared with parents regarding students' academic records, behaviour and involvement in co-curricular activities. Parents expressed their concerns and expectations, leading to constructive dialogue aimed at supporting student development. Suggestions were offered on enhancing study habits, time management, and preparation for upcoming examinations. The department also informed parents about future academic plans, projects, and workshops designed to enrich learning outcomes. Overall, the meeting fostered a positive and collaborative environment, strengthening communication between teachers and parents and reinforcing a shared commitment to the holistic progress and academic success of the students.
