

WORLD ENVIRONMENT DAY ORGANIZED BY GEOGRAPHY DEPARTMENT, VIC

The World Environment Day was celebrated by Geography department in collaboration with other Science departments of Victoria Institution (College) in Suniti Sabhagar on 5th June 2025. Students of Semester 4 and 2 (Major) from Geography department participated in this programme in groups. There were several events like Chart presentation, PowerPoint presentation and model demonstration. The students from Semester 4 (Major) were awarded for their informative chart presentation on the topic regarding the reduction of plastic usage.
