

“Swagato-Bidaye” organized by Geography Department, VIC

Students of the Department of Geography organised a special programme named “Swagato Bidaye” focused on Freshers’ Welcome and Farewell on 27th November, 2025, at Keshub Memorial Hall from 12 PM to 2.30 PM. Students from all the three semesters actively participated in this programme with the Semester 5 Major students as the main host. Our respected Principal Madam Dr. Maitreyi Ray Kanjilal has made this programme a huge success by her graceful presence. The students presented a well-knit cultural programme that had songs, recitations, dance performances. The fresher students and the out-going students were given small token of love and appreciation. All of them enjoyed cake cutting moments and made beautiful memories.

SOME GLIMPSES OF THE PROGRAMME

Inauguration of programme by Principal Dr. Maitreyi Ray Kanjilal and Di. Saswati Nayak, HOD, Geography department

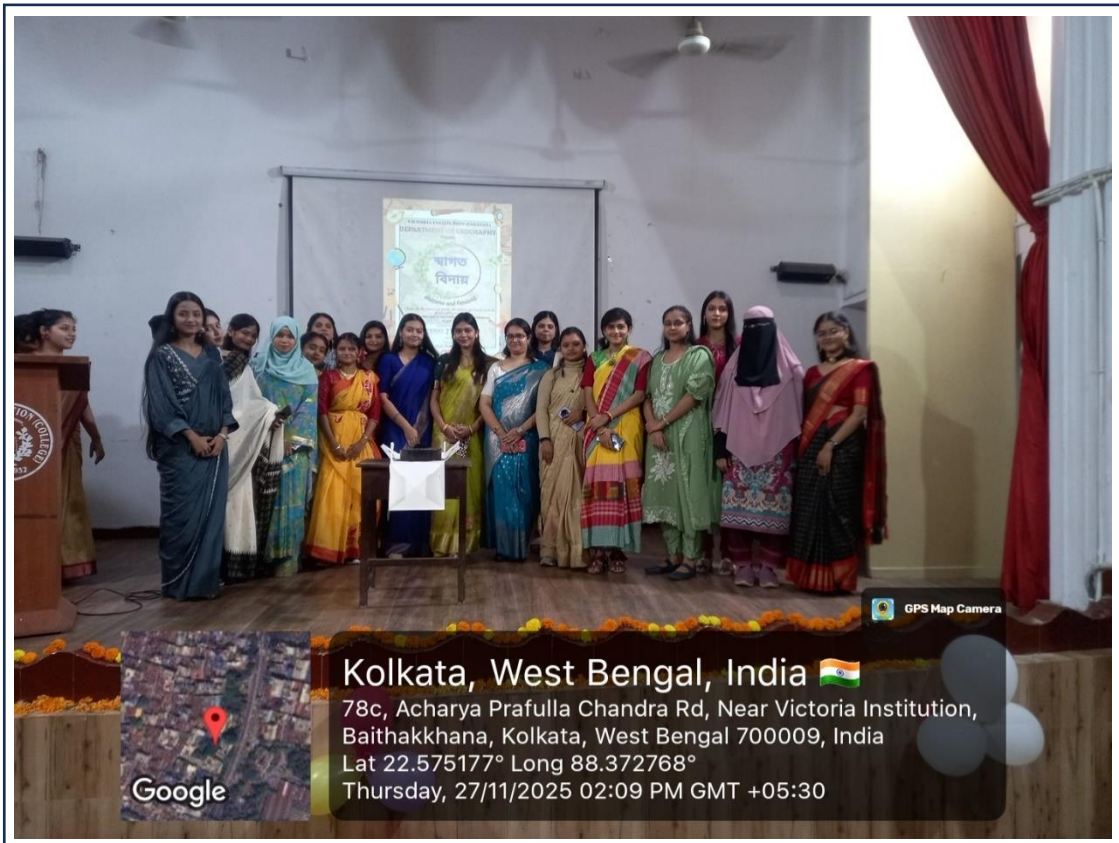

Beautiful decoration by students of Geography department

Dance performance by fresher students

Cultural programme presented by the students
