

Workshop organized by Department of Geography, VIC

A workshop has been organized by Department of Geography on 20th March 2025 in collaboration with IQAC, Victoria Institution (College) for the Semester 6 Honours students of the department. The resource person was Sudipto Halder, Senior Research Scholar in Jadavpur University and Guest Lecturer in the Department of Geography, Calcutta University. and he delivered his lecture on the topic 'Geospatial Analysis of Landslides: Techniques for Mapping, Monitoring and Risk Assessment. The initial part of the workshop was held in Suniti Sabhaghar followed by hands – on training using Arc GIS software in Room No. 7 of Art building in post-lunch session. We are grateful to our respected Principal Madam, Dr. Maitreyi Ray Kanjilal for her support and encouragement in making this workshop a successful one. Both the students and the faculties of Geography department were highly benefited academically from this workshop.
