

## Farewell Programme of Semester 6

On 19th September 2025, the Political Science department of Victoria Institution (College) bid farewell to the senior batch – semester 6 - of 2022. The programme was held in the heritage Keshub Memorial Hall. The theme of the program was the blend of "Black & Red".

The students by themselves organised a series of events like group songs, dance performances, speech and poem recitation, in which the students of Semester 5, 2 and 1 have shown exorbitant participation. The seniors marked the event by showcasing some of their talents as well.

And last but not the least, as a compulsory ritual of the Political Science department, the titles of "Miss Attire" & "Miss Victoria" were bestowed to the outgoing students.
