

FISH MARKET VISIT BY
ZOOLOGY, SEM-2, MAJOR

A subject receives its completeness not only with its theoretical and practical knowledge in the four walls of the institution but its approach to establish the students in the real professional world. So Zoology , for encompassing all these aspects, has incorporated in its syllabus, VISIT TO FISH MARKET . So Semester 2 , Zoology Major, 11, students were taken to MANIKTALA FISH MARKET, where they surveyed & gathered informations about ECONOMY, BUSINESS METHODS, PROSPECTS, MARKET DYNAMICS AND FUTURE SCOPES in this field.
