Message from the Principal

The journey of Victoria Institution (College) is deeply rooted in the ideals of enlightenment, women's empowerment, and holistic education. Established in 1932, the institution carries forward a glorious legacy inspired by the visionary social reformer Brahmananda Keshub Chandra Sen and his illustrious daughters Suniti Devi and Sucharu Devi, who dedicated themselves to the cause of women's education and social progress. Over the decades, the college has evolved into a centre of academic excellence while steadfastly preserving its noble mission of empowering young women through knowledge, values, and leadership.

The institution proudly bears the spiritual and cultural footprints of great luminaries like Shri Ramakrishna Paramhansa Dev and Kobiguru Rabindranath Tagore, whose philosophies continue to inspire generations of learners. Their ideals of humanity and universal harmony remain embedded in the ethos of the college, encouraging students to become enlightened citizens with strong moral and ethical values.

Affiliated to University of Calcutta, the college follows the prescribed curriculum with dedication and academic rigour. Alongside conventional teaching-learning methods, emphasis is laid on innovative pedagogical practices, interdisciplinary learning, and skill enhancement to prepare students for the challenges of a rapidly changing world. The institution continuously strives to maintain a healthy academic environment where intellectual curiosity and critical thinking flourish.

The college is blessed with a team of highly qualified, experienced, and committed faculty members who guide students not only academically but also personally and professionally. The mentor-mentee system fosters close interaction between teachers and students, ensuring personalised guidance, emotional support, and academic mentoring. This nurturing atmosphere helps students develop confidence, discipline, and a sense of responsibility.

To enhance employability and holistic development, the college offers various add-on and value-added courses designed to equip students with practical skills and contemporary knowledge. Career-oriented programmes, workshops, seminars, and training sessions are regularly organized to broaden students' horizons and strengthen their professional competencies.

The institution is also committed to creating an inclusive, safe, and student-friendly campus through the active functioning of several statutory and support cells. The Internal Complaints Committee (ICC), Grievance Redressal Cell, Women's Cell, and Career Counselling Cell work diligently to ensure students' welfare, empowerment, and overall well-being. The Institution's Innovation Council (IIC) encourages creativity, entrepreneurship, and innovative thinking among students, inspiring them to become future leaders and change-makers.

Upholding a rich heritage and commitment to women's education, the institution continues to nurture confident, responsible, and socially conscious individuals who contribute meaningfully to society and the nation. I warmly welcome the new batch of students and encourage them to embrace this journey with curiosity, confidence, and a spirit of excellence.

To realise your dreams the College provides you with —

1. A Rich heritage – 90 years of glorious service in women's education and empowerment
2. A green idyllic campus with lovingly nurtured age-old trees and shrubberies
3. A Heritage Building
4. Vibrant campus culture
5. In-house auditorium and conference rooms
6. ICT enabled lecture halls and smart class rooms
7. Hostel facility for out-station students
8. Ragging free campus
9. Central Library with ~40000 books and Seminar libraries for Honours departments
10. Well-equipped laboratories
11. Wi-Fi enabled campus
12. Canteen
13. Cheap store
14. Playground
15. Safe and secure environment with male and female security guards and closed circuit television for constant monitoring of college premises (24X7)
16. Campus placements

You on your side must pledge to abide by the following code of conduct —

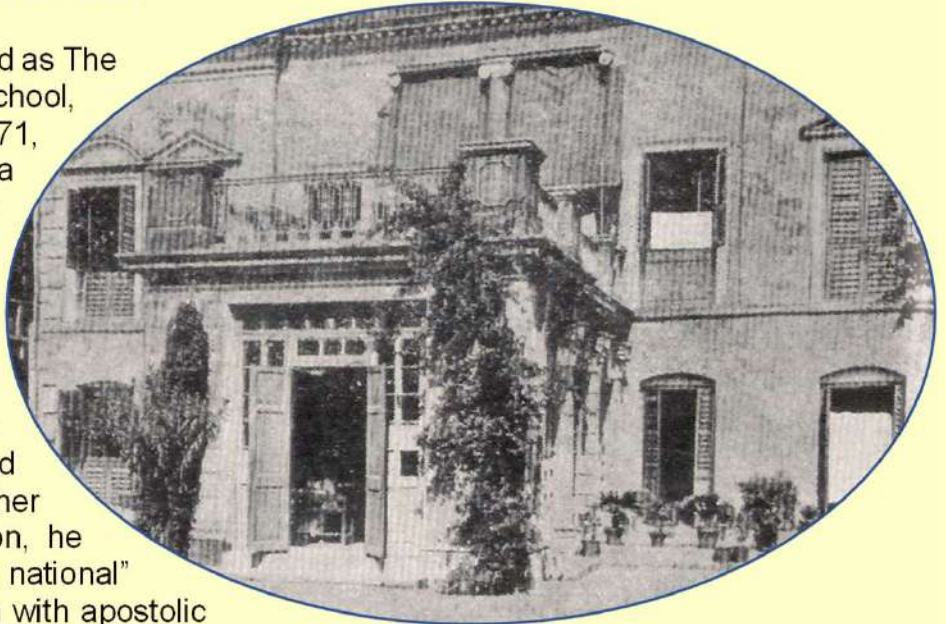

1. Punctuality and Regularity in attending classes and tests conducted by the departments.
2. You will switch off all the fans, lights and ACs when you leave the classrooms.
3. You will not use mobile phones during class.
4. You will display ID cards on your person.
5. You will not mishandle or damage library books, computers, laboratory equipments and other College properties.
6. You will not be party to any kind of ragging in the campus and will at once report it to the College authority if such an incident comes to your notice.
7. You will not paste any poster anywhere on the College walls, or gates, but only at designated boards put up for such purpose.
8. You will not encourage or participate in any form of slogan shouting during College hours and thereby causing disturbance to the happy academic ambience in the College.
9. You will not indulge in or participate in any kind of violent activities that may disrupt the peaceful atmosphere in the College.
10. You will respect the cultural, religious and regional diversity of our country.

The College authority will take action against offenders for violating the code of conduct and take necessary strict action against offenders.

OUR INSTITUTION

1.1 History of the Institution

Victoria Institution, originally named as The Native Ladies Normal and Adult School, was founded on 1st February, 1871, by Brahmananda Keshub Chandra Sen under the auspices of the Indian Reform Association of which he was the President. The aim of the Institution as laid down by Keshub Chandra Sen was to build up a scheme of education "specially adapted to the requirement of the female mind and calculated to fit woman for her position in the society." Education, he said, should be "both natural and national" and his followers pursued the aim with apostolic fervour while nurturing the Institution.

Kamal Kutir, 1955

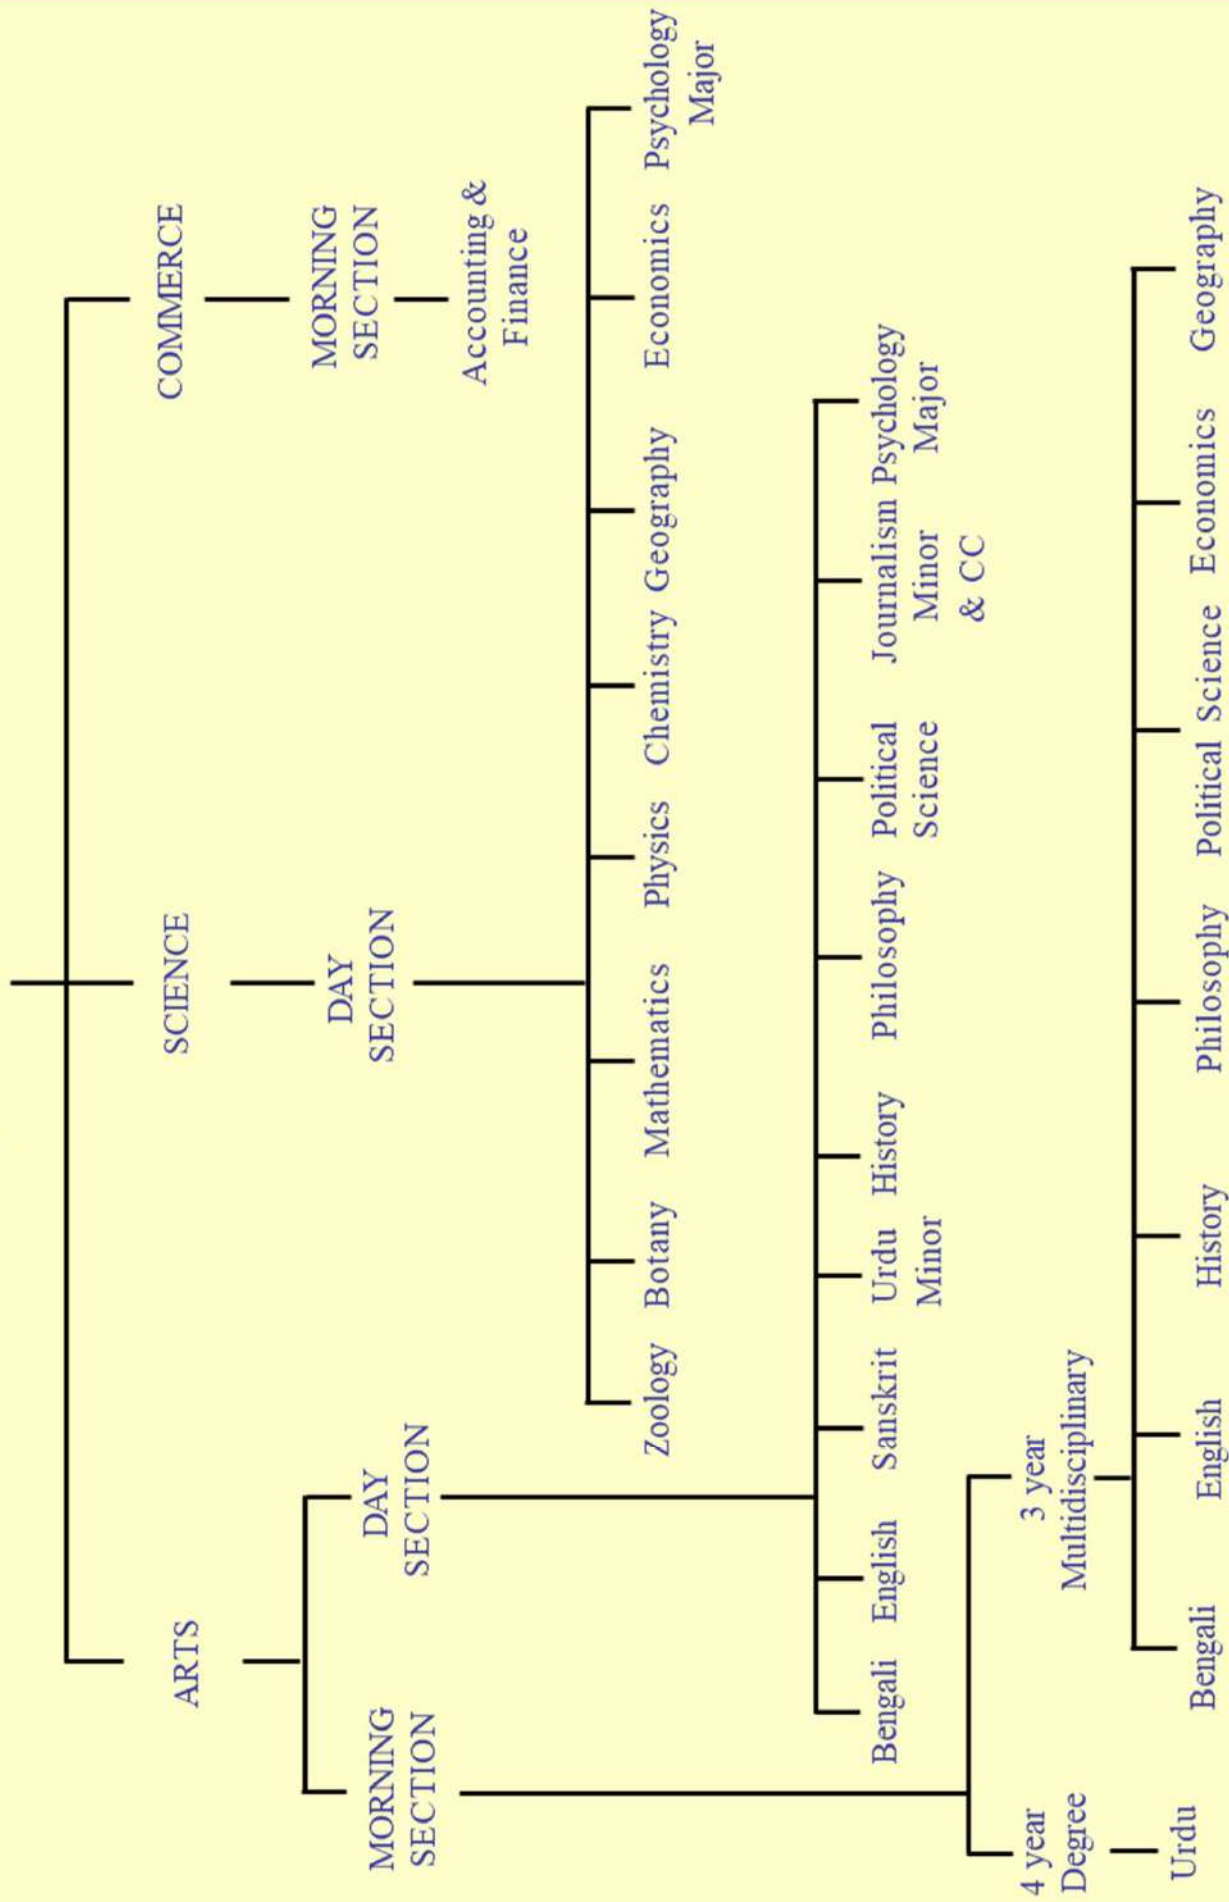

In 1932, the college section of the Institution was set up under the patronage of Maharani Suniti Devi, Maharani Sucharu Devi (daughters of Keshub Chandra) and other Board members among whom was Dr. Bidhan Chandra Roy who took keen interest in the growth of the Institution and remained associated with it till death.

The college which started I.A. course in 1932 soon became the first-grade women's college teaching up to B.A. Honours course in several subjects (1935). The science section of the college was opened in 1950. To meet the growing demand from the girls aspiring for higher education the Morning Section of the college was opened in 1963. In the Platinum Jubilee Year (2006-07) the college introduced B.Com. (Honours) course. At present the college has Arts, Science and Commerce sections conducting Honours and General courses for more than 2000 students. It is also a study center for distance education of Netaji Subhas Open University.

Over the years the goals and objectives of Victoria Institution (College) have been redefined keeping in mind Women's growing role in different sectors of public life. But Keshub Chandra Sen's "comprehensive scheme of education" through special lectures, distance education ('antapur shiksha'), vocational training and physical training still forms the core of the education system of Victoria Institution (College).

For nine decades Victoria Institution (College) has been rendering commendable service for the promotion of women's education in Bengal combining tradition with modernisation. The mission of the college is to realize the founder's dream of creating a generation of empowered women.

3. *Evaluation System*

Victoria Institution (College) focuses on holistic learning and encourages students to think critically. While the College adheres to the evaluation norms prescribed by the University of Calcutta it endeavours to maintain a continuous evaluation system.

- Students are assessed on a continuous basis through innovative and reformed techniques such as group discussions, assignments, analytical tests, presentations, quizzes, practical and projects.
- Identification of slow and advanced learners is made by the faculty on the basis of MCQ tests.
- Class tests are organised by the teachers to carry out regular performance appraisal of the students.
- Remedial classes are used to support learners with different abilities and pace. Students with advanced needs are encouraged to research and given more complex tasks.
- All students are encouraged to participate in inter-college competitions to optimize their potential.
- Students are given multiple opportunities to succeed. Through internal assessment students are encouraged and guided to improve their responses with more than one attempt at times.
- Poor performance due to frequent absenteeism is dealt by sending letters to the parents of such students.

Parent-Teacher-Student Meeting

The college periodically organises Parent-Teacher-Student Meeting in presence of the Principal. During the meeting, a comprehensive discussion concerning the performance and problems of a student is taken up.

5. *National Cadet Corps (NCC)*

Victoria Institution (College) boasts of a highly functional NCC Unit since 1968. The NCC unit of the college plays a vital role in shaping disciplined and responsible youth grooming cadets into active citizens ready to serve the nation. Established under the Ministry of Defence, NCC trains students through drills, camps, and community service. It builds leadership, teamwork, and patriotism while offering adventure activities like trekking, paragliding and shooting. Every year the NCC cadets of the college are made to participate in different programmes such as observation of National Youth Day, World Environment Day, International Yoga Day, Navy Day, NCC foundation Day, Health Check-up, Swachh Bharat Abhiyan on a regular basis. It also involves cadets in various sports events. It also provides career benefits such as reservation in armed forces and preference in government jobs. Beyond academics, NCC instils social values and national unity. At present the NCC activities of the college are being conducted under the guidance of Dr. Indrani Mukherjee.

6. *National Service Scheme (NSS)*

The National Service Scheme (NSS) is a scheme of the Central Government of India, Ministry of Youth Affairs and Sports. Launched in the year 1969 marking Mahatma Gandhi's Birth Centenary year, it aimed at providing hands on experience to students (young NSS volunteers) in community service; the official motto being 'NOT ME BUT YOU'.

The NSS Unit of this College was established in 1975 with the philosophy of philanthropy and community service as its core values. Each year new volunteers are recruited by the NSS cell who devote their time towards various community services, ranging from conducting awareness programmes (both within and beyond the campus), special camps to maintenance and beautification of the college campus. In recent times the NSS unit has received quite a few funds to keep up the good work. The Institution encourages and invites students each year to participate in NSS activities as volunteers. Upon completion of three years as NSS volunteer, Calcutta University furnishes a certificate of appreciation towards each volunteer which is distributed from the college and which is held in high regard by universities, institutes of higher learning and employers across the country. At present the NSS unit is carrying out a plethora of social welfare activities under the leadership of Programme Officer, Dr. Chitrita Bhowmik.

7. Alumni Association

Victoria Institution (College) has an Alumni Association which started its journey after duly going through the registration process in 2004-2005. It is registered under West Bengal Government Act of 1961. The vision of the Association is to provide impetus to normal functioning of the Institution. The Alumni Association identifies and honours alumni who have made significant positive contributions to society, celebrating their achievements and fostering a culture of service and excellence. Through recognition programs, they inspire current students and strengthen community bonds.

It attempts at fostering a bond amongst old students and cultivates a feeling of fellowship among the members. Over the past years, the association has organized several programmes like Basanta Mela, Handicraft Exhibition, Reunions, seminars, one day lectures and yearly picnics for members. Such events create an interactive platform and engenders building a robust network among alumni members across the country and the world. The association constantly attempts to assist it's Alma Mater in various ways and it also takes initiative to stand in assistance of students who face financial obstacle in completion of their academics in the college. The Principal who is also the President of the Association presides over all the meetings and events.

8. FACILITIES

8.1 Library

Victoria Institution (College) has a well-equipped and well-furnished library to cater to the needs and requirements of the students and teachers, towards study and research. The library with its spacious infrastructure, ample seating capacity, a rich collection of books (both in terms of quantity as well as quality) and a quaint ambience, has become a happy space where students can further enrich their intellectual resources – a place where they can spend some quality time, outside class hours.

Special features :

- A collection of over 42,000 books.
- A collection of rare books and special collection on Keshub Chandra Sen.
- Open Access and Online Public Access Catalogue (OPAC) systems for browsing library resources.
- Two independent wings for the Day and Morning sections housed in two different sectors with their own infrastructure and staff pattern.
- Availability of newspapers, periodicals and magazines related to career development and general knowledge.
- Availability of online resources through N-LIST (INFLIBNET) and Library Facebook page.
- Reading room facility along with borrowing, internet and photocopy facilities for students and staff.
- Careful guidance by Librarian and library staff to access all kinds of library facilities.

Apart from the Central Library, all the Departments maintain their respective Seminar Libraries which are equally resourceful, provide subject specific books and are easily accessible by the students.

8.2 Hostel

Since its inception, Victoria Institution (College) Hostel has been engaged in ensuring affordable accommodation facilities for its outstation students. The Hostel is a three storied building with spacious rooms housing nearly 72 students from various parts of Bengal and even other states of India. Being located within the college campus, the resident students do not have to undertake the cumbersome journey to reach their classes everyday.

Over the last few years, extensive refurbishment work has been undertaken. In recent times, the hostel building has been extended to include two dormitories with attached washrooms. However, allocation of these rooms is made in accordance to merit.

A female hostel warden appointed by the college supervises the day-to-day functioning of the Hostel. Principal personally meets the resident students to understand their everyday challenges and occasionally arranges for interactive sessions with their guardians to discuss problems.

Glimpses of VIC Hostel

Accommodation and Amenities

- **Rooms:** The rooms have ergonomically designed furniture that include beds, individual Study Desks, lockers and Cupboards with hangers.
- **Toilets:** The hostel has ample clean toilets with attached baths and solar heaters to provide hot water during winter.
- **Reading Room:** Every floor of the hostel has a separate reading room. The reading room has computers and free high speed unlimited Wi Fi connection. Boarders can access this room till 12 midnight. In addition, an extended balcony with lights, desks and chairs are also available to facilitate late night study.
- **Security:** 24×7 security with guards at the main door at all times and CCTVs are installed to monitor entry and exit of the hostel, while maintaining privacy of the residents. After college hours students are allowed to go outside with Gate Pass from the Warden. However, returning to hostel at 8 pm is mandatory.
- **Food:** Apart from usual lunch and dinner, the hostel mess also serves 2 light meals and one heavy snack after college hours. The students are provided fresh food with nutritive value. Non-vegetarian food consisting of either fish or egg is served everyday. The menu is decided in the beginning of each week, after consultation with the boarders. Special menu is planned for Sundays. The food is served in presence of the Hostel Warden.
- **Recreation:** The residents have an access to various indoor and outdoor games. Television is installed in the dining area where boarders can watch news everyday and other entertainment programs on Sunday. The boarders also receive the Daily newspaper. Various cultural programmes are also organised to ensure bonding among students.
- **The College Hostel is a home-away-from-home.** The hostel is a safe space for the students and allows them to embrace an identity of womanhood that is confident, poised and ready to grapple the challenges of the world.
- **Hostel seats of students who are unable to qualify at the Calcutta University Examinations will be cancelled.**

STUDENTS' HEALTH HOME MEMBERSHIP:

The Institution has long been a Universal Member of Student's Health Home. The boarders can avail this facility and get almost all their medical treatment from this organisation at a very nominal cost.

8.6 Students' Canteen & Cheap Store

- The College Canteen provides students with nutritious food at an affordable price.
 - The cheap store provides educational stationeries, photocopying facilities etc.
- Students' Common Room

8.7 Students' Common Room

The Students' Common Room is provided with indoor games and daily newspapers – English, Bengali & Urdu – and is meant for the use of the students during their leisure periods.

- Sanitary napkin vending machines have been installed inside the Students' Common Room.

8.8 Gymnasium and Yoga Room

The college has a gymnasium equipped with exercise bike, tread mill, barbel, dumbbell etc. There is a yoga room that serves as a serene space for meditation.

8.9 Safe drinking water

Automatic water filtration unit is installed in all the blocks, in all student zones. One filtration unit with cooling system is installed in front of student's common room.

8.10 Students' Union

The Students' Union of Victoria Institution (College) is a statutory body and is involved in different activities under the guidance of teachers of the College.

8.11 Universal Membership of Students' Health Home

Victoria Institution (College) has long been a Universal Member of Students' Health Home for which it collects an annual fee of Rs. 10, from each student and the students get almost all their medical treatment from this organization at a very nominal cost. Presently our Institution is under the jurisdiction of Central Kolkata Regional Centre of Students' Health Home, which operates from its Moulali centre. The outdoor clinic remains open from 12 to 2 pm from Monday to Saturday.

Arrangements have been made to introduce Students' Safety Policy with the help of the New Indian Assurance Company Ltd.

8.12 Students' Poor Fund

The college has a students' Aid Fund which extends financial help to students with financial constraints and those who do not get any other scholarships. The objective is to enable them to purchase books and educational aids, meet College Fees, University Examination Fees and other necessary expenses.

In addition to the above Students Medical Benefit Fund formed by the contribution of students. Every student pays Rs. 10 per annum towards the maintenance of the fund. This is a contingency fund created to tackle emergency situations like an accident or a critical medical need faced by any student. A body consisting of the Principal, teaching staff and non-teaching staff oversees the disbursement of the fund.

8.13 Prizes Awarded

Prizes are given to the students of the college for academic excellence and to the meritorious but economically disadvantaged students from the following Funds :

- There is an Endowment Fund for Prizes created from donations made by Sm. Nilima Datta, Ex-Professor, Department of Zoology; Sm. Sukla Sen, Ex-Professor, Department of Sanskrit; the family of Late Dr. Dipali Datta, Ex-Reader, Department of Chemistry for meritorious students pursuing Zoology Honours Course, Sanskrit Honours and B.Sc. - The teachers and ex-teachers of the College declare many prizes for the rank holders in the various subjects of the University Examination.
- Students securing highest percentage of attendance of each department are awarded a prize in the Annual Prize Distribution Ceremony of the College.

8.14 Special Facilities for differently abled Students

All kinds of help are extended in terms of books, loans and free studentship, concession in hostel charges, etc. to visually and physically challenged students. The college also makes a conscious effort to accommodate these students in the hostel, if required. Such students are requested to contact the office for further details. The college has also divyangjan friendly toilets and facilities like ramps and rails.

8.15 Eco-friendly Measures and Green Campus initiatives

The institution believes in an eco-friendly campus. The college has endeavored to establish "plastic free campus" through regular monitoring. The College has also taken initiatives to include solar panels to facilitate Thermal water heaters and Rain water harvesting.

8.16 Students' Support Cells

Several Students' Support Cells like Grievance Redressal Cell, Anti Ragging Cell, Women's Cell, Career Counselling Cell (formed in accordance to the guidelines of regulatory bodies, wherein applicable), exist in the College to address any type of queries, needs and complaints of the students and provide them due assistance. Regular sensitization programmes and events are also conducted by some of the cells to generate awareness and keep the students updated.

Compulsory summer internship program in Artificial intelligence and machine learning organised by Victoria institution (College) in collaboration with ACES Infotech, Kolkata from 10 July 2025 to 26 July 2025.

The AI & Machine Learning Internship Program was successfully conducted from 10th July to 26th July by Victoria Institution (College) in collaboration with ACES Infotech. The sessions were held in a blended mode—both online and offline—to ensure wider participation and accessibility.

A total of 107 participants from various academic streams took part in the internship and successfully completed the program. The course was designed to provide hands-on experience with AI-powered tools and applications, alongside theoretical understanding of core concepts.

Over the 15 days, participants were introduced to AI & ML fundamentals, real-world applications, and ethical issues. They explored AI-powered mobile apps, types of machine learning, data handling, neural networks, and deep learning. Practical sessions included creating AI-generated art, building simple AI models, sentiment analysis, and developing chatbots. The final days were dedicated to project work and Assignment submissions.

The program effectively combined conceptual learning with practical, mobile-friendly AI applications, enabling participants to gain industry-relevant skills without the requirement of advanced coding knowledge.

Overall, the internship was highly beneficial in enhancing students' understanding of AI & ML, inspiring them to explore innovative solutions, and preparing them for future opportunities in the technology-driven world.

12. INSTITUTION'S INNOVATION COUNCIL

In the year 2018, the Ministry of Education (MoE) through MoE's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation and start-up ecosystem in education institutions. Victoria Institution (College) fosters women's empowerment through innovation, entrepreneurship, and skill development. Its IIC registration strengthens this focus on innovation by offering training, start-up support, and industry exposure.

Major Focus of IIC:

- ❖ To create a vibrant local innovation ecosystem.
- ❖ Start-up/entrepreneurship supporting Mechanism in HEIs.
- ❖ Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas.
- ❖ Develop better Cognitive Ability amongst Technology Students.

Programmes conducted by the college under the banner of IIC

13. Mentor-Mentee Programme

To ensure a continuous and systematic mentoring of students for academic, social, personal and career related guidance, Victoria Institution College has introduced a special Mentor-Mentee programme. This programme launched on 6th September, 2022 will be implemented on a regular basis for all forthcoming semesters. All the faculty members have been engaged in this mentoring process. Every Mentor is assigned with a group comprising of 30-35 students. The main objective of the program is to promote the Psycho-social well-being of the students, to help them maintain a balance between their physical and emotional health, encourage and update them about academic and extracurricular activities, to enable them to tackle challenges in the academic field and beyond. The programme also aims to identify problems (if any), and as per situation contact guardians, even consult the college psychologist in special cases, to take necessary action.

A Teachers' Orientation Programme on 'Communication with Students to promote their Psycho-social well-being' was also organised by the Internal Quality Assurance Cell of Victoria Institution (College) on 24.08.2022 to better equip the mentors in this regard.
