

PARENT-TEACHER MEETING DATED JULY 25, 2025

The Parent Teacher Meeting for the Morning section students of Semester 2 and Semester 4 was held on 25th July, 2025 in Room 10 from 10 am onwards. Principal Madam welcomed the parents and encouraged the students to attend the classes regularly and make best use of the available facilities for their benefit. She also highlighted the Computer course being offered by the college at a nominal rate. The Parents expressed the challenges their daughters faced with regards to attending the college. Some of the key issues raised were fulfillment of household responsibilities due to which the classes were getting hampered.

The teachers encouraged the parents to send their daughters regularly and engage them in household work only after the completion of their college classes. Students were also requested to refrain from taking part-time jobs during the duration of their college course. Some of the students also expressed their concerns with regards to their academics which were duly addressed by the concerned faculty members. Prof. Suchhanda Ghosh, Convenor of Career-Counseling Cell highlighted the initiatives the cell is taking to prepare the students for the job market. She ended the session by thanking the parents and students for their presence and active participation.
