

CELEBRATION OF RAKSHA BANDHAN 2025

The Morning Section of Victoria Institution (College) celebrated Raksha Bandhan on August 1, 2025 at the Keshub Memorial Hall.

The students arranged for a simple though vibrant cultural programme on this occasion. The Principal of the college graced the programme. She highlighted the necessity of bonding between people, feelings of love and respect to each other and also encouraged the students for their enthusiasm about arranging this type of celebrations.

Colorful Rakhis were tied on the hands of the Principal as well as teaching and non-teaching staff presented in the programme.

Students tied the knots (Rakhi) to each other and conveyed love.

The cultural programme was furnished by Songs, poems, speeches and dance performances. Everyone present there enjoyed the programme to the fullest.

The programme was ended by the vote of thanks and clicking a group photo in memory of this beautiful programme.
