

Study Trip organized by Department of History (Morning Section)

Semester-I Minor-SEC students of the **Department of History (Morning Section)** went on a syllabus-oriented study trip to **the Indian Museum and the CNI Wesleyan Church (estd. 1866)** with two faculty members on 5th February 2026.

Students explored rare artifacts and immersive exhibits at the Indian Museum and experienced a journey through India's cultural treasures and scientific marvels at the Museum's 212th Foundation Day Exhibition. They also visited the tranquil colonial CNI Wesleyan Church tucked near the city's cultural core.

Breakfast at college, lunch at the museum, and memories with friends made the day extra special. We are grateful to our Principal Madam for her support.
