

UNVEILING OF THE FOURTH ISSUE OF 'USHASI'

On March 12, 2025 the fourth issue of the multilingual wall magazine 'USHASI' was unveiled by our Principal Dr. Maitreyi Ray Kanjilal. The students of the Morning Section contributed their writings in Bengali, English and Urdu. The wall magazine, USHASI, has been enriched with Prose, Poems and Stories of myriad flavours. Each year the publication of this magazine provides an opportunity to the young creative minds to showcase their literary panache.
